

**Inductive Modem Assemblies & Parts**

**15011 OEM Modem Assembly (S9 Footprint)**

**15032 OEM Modem Assembly (SBE IMM Footprint)**

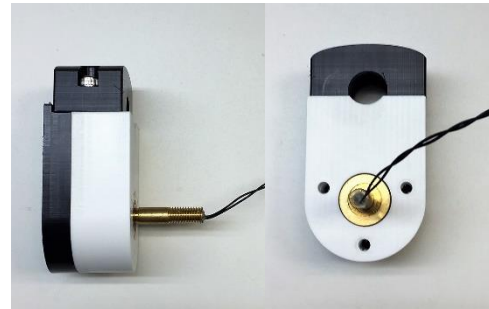

15011 and 15032 Modem Assemblies require an inductive signal coupler, such as 50153 or similar.

**18122 OEM Direct Connect Modem Assembly**

Use 18122 for applications where a direct connection of modem to wire rope is desired.

**50153 Bolt-on Inductive Signal Coupler**

**Parts for OEMs preferring to make their own inductive cable couplers or direct connection**

**5004F Ferrite Toroid Halves**

**5014W Potted Coil**

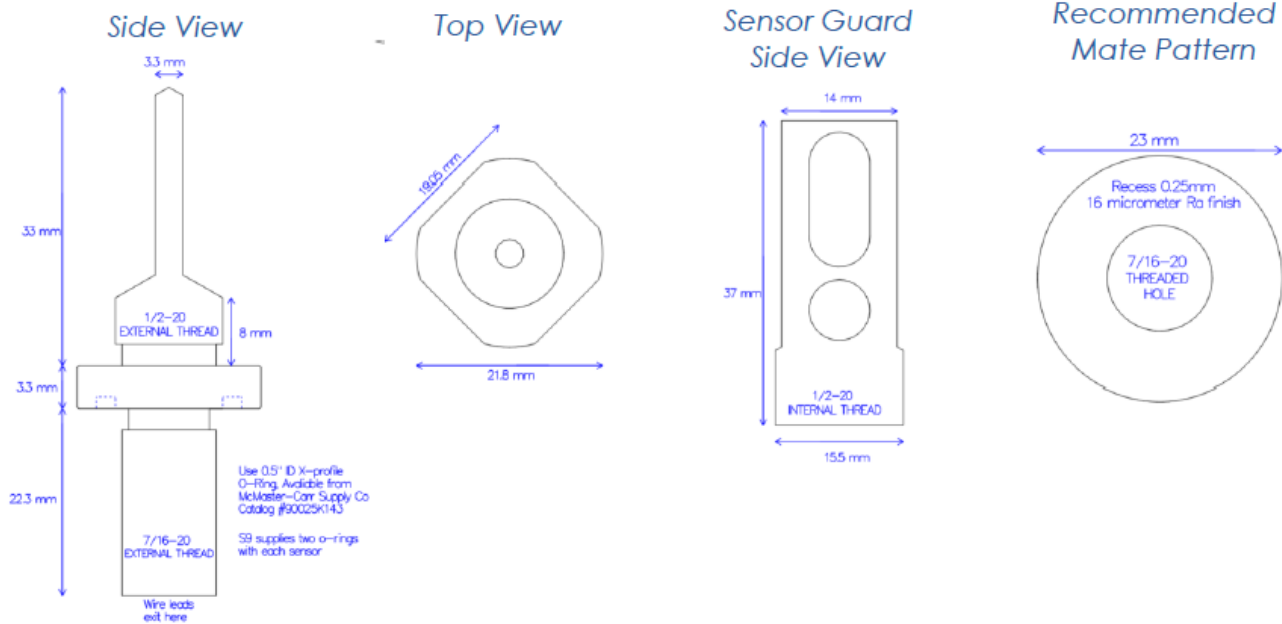

**5011T Coupling Xfmr**

**Digital Temperature Sensors (RS-232 or Logic Level Serial)**
